[CIRCULAR.]

California Brandy—Vintage 1856.

THE UNDERSIGNED offer for Sale California Brandy in assorted packages, and in quantity to suit purchasers. This Brandy is guaranteed to be a pure distillation of the juice of the Native Grape, and possessing in an eminent degree all the aroma and delicacy of flavor for which the California Grape is so highly renowned. Competent judges have pronounced the quality to be fully equal to the best French Brandy; and the public are assured that not only the Wine from which this Brandy is made, but also the construction of the stills, and the whole modus operandi, are precisely the same as used in France: in fact, the principal distiller himself has been for many years foreman of a firm celebrated for their brandies, in Cognac. We trust that a discerning public will appreciate the importance of the introduction of

PURE NATIVE LIQUORS,

as a substitute for the vile poisonous trash, known as Mixed Brandy, with which our market has been flooded.

The bloated, bleared, and disgusting specimens of humanity that we meet at every step, sufficiently attest the effects of the deleterious Oil of Cognac, and the no less poisonous Fusil Grain Oil, contained in the (so called) pure spirits used in the adulteration of genuine liquors.

The subscribers are enabled to offer this FINE BRANDY at less than half the cost of French Brandy of the same grade, and they confidently invite a trial of its quality, by sample or otherwise; believing that the people will sustain them in their endeavors to introduce our

HOME PRODUCTIONS,

and also to check the torrent of poison which has, up to this period, deluged our State. To Physicians and others, wishing a pure article for medicinal purposes, we can confidently recommend our California Brandy (even in preference to French), on account of its undoubted purity. To the Public at large we will simply say, TRY IT!

NOTICE.

WHEREAS THE UNDERSIGNED HAS BEEN INFORMED on good authority that great irregularity exists in the taking and killing of the wild cattle on the mountains on Hawaii, belonging to His Majesty and to the Government, by parties who claim or pretend to claim right under bills of sale from His Majesty or from the Government, and whereas, from the nature of the country and other causes it is almost impossible to place agents to guard the interests of His Majesty and of the Government, and whereas all parties having legal claims on the said wild cattle have already had time sufficient, if they have used due diligence to remove the same.

Now therefore, the undersigned hereby gives notice to all parties who purchased wild cattle running on the mountains on Hawaii, previous to the 1st day of January 1857, to remove the same if not already removed, on or before the 1st day of May next, after which time, parties taking wild cattle will be prosecuted.
